- A. Johnson accepted Grade 7 Math 8:32 AM

Quick Add Absences
Add absences in seconds with smart defaults and reuse previous details.

Fair Auto-Assignment
Automatically assign coverage using your rules for fairness and balance.

Accept / Decline Tracking
Track responses in real time with clear status updates.

Daily & Board Reports
Generate clean, printable reports for daily ops and board visibility.

Backup & Restore
Built-in backups give you confidence and peace of mind.

Designed for school administrators and office teams

CoverGrid reduces spreadsheet work and eliminates morning scramble—so your team can focus on students, not logistics.

- ✓ Intuitive and easy to learn
- ✓ Works the way schools work
- ✓ Designed for administrators across K-12
- ✓ Privacy/security documentation available for board review.

Better than spreadsheets

Faster daily workflow
Do in minutes what used to take hours.

Live status tracking
See who's accepted, pending, or unfilled—live.

Cleaner reporting
Professional reports for your team and your board.
